RACEDAY HOSPITALITY
& DINING

An aerial photograph of a large-scale racing and resort complex. In the foreground, a wide, green grassy area is bordered by a white fence, with a dirt race track curving through it. A massive, multi-tiered grandstand is packed with spectators, situated between the track and a large, modern, multi-story building with a curved facade. To the right of the building, a parking lot is filled with cars. Further right, a golf course with green fairways and sand traps is visible. The background consists of rolling green hills and fields under a clear blue sky with light clouds.

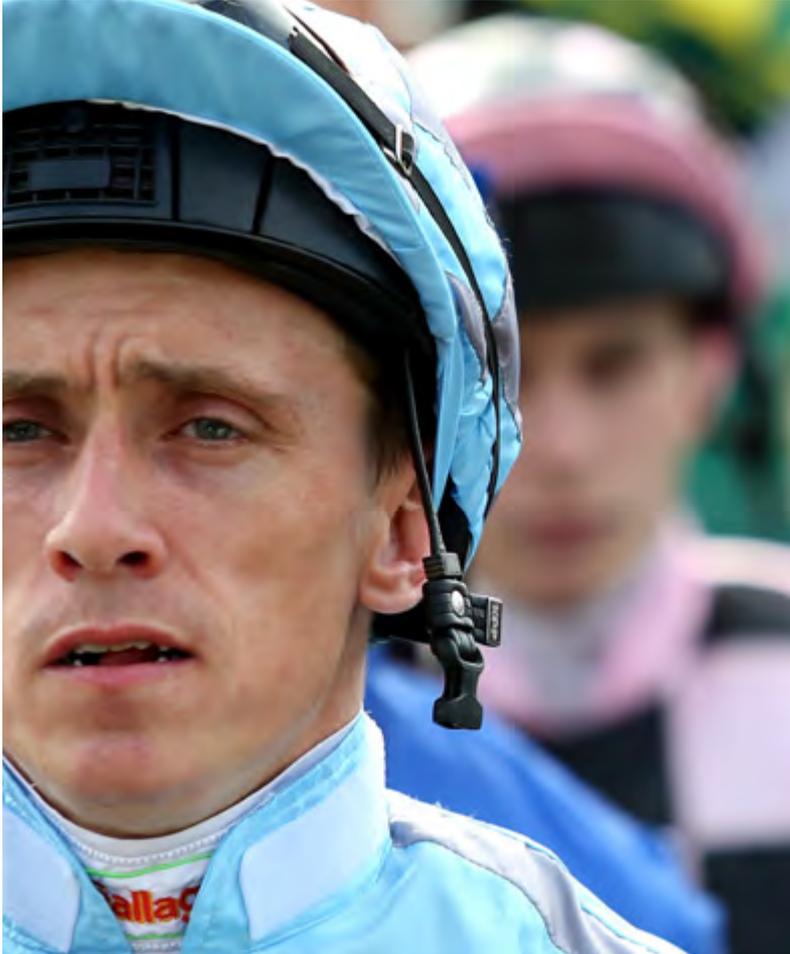

HOME TO THE ALL-WEATHER CHAMPIONSHIPS
FINALS DAY AND THE UK'S FIRST RACING RESORT

WELCOME

Lingfield Park Resort is proud to introduce you to the only venue of its kind. Our destination is one of the UK's leading racing venues with a mixture of Flat, Jumps and All-Weather racing and is home to Europe's most innovative and richest All-Weather fixture, the All-Weather Championships Finals Day.

Set amid picturesque Surrey countryside the resort offers a full service with the Marriott Hotel, 18 hole Championship Golf Course, Breathe Spa & Leisure Club and three tracks: All-Weather, Flat and Jumps. The resort provides an idyllic backdrop for every occasion whether you're entertaining clients, rewarding staff or celebrating a landmark occasion.

HISTORY & RACING

Lingfield Park was initially opened in 1889 as a country retreat for London's socialites and royalty.

To this day, we still adopt the plume of feathers, granted to us by King Edward VII, as our emblem.

We are one of the only racing venues in the UK to race all-year round and on three tracks: All-Weather, Turf and National Hunt.

Lingfield Park proudly hosts a number of high-profile races each year, including recognised trials for the Epsom Derby and Oaks, Churchill Stakes and the £1million All-Weather Championships Finals Day.

CATERING

We are committed to providing an unrivalled food and drink experience.

We locally source as many ingredients as possible, including all of our meats and fish and take pride in supporting local industry.

All food, whether it's a three-course sit-down menu or informal fork buffet, has been designed by our on-course chefs to compliment your hospitality experience and is carefully prepared on-site to guarantee maximum quality when it comes to taste and appearance.

SAMPLE THREE-COURSE SIT DOWN*

PARTNERSHIPS, THE FINISHING LINE IS JUST THE BEGINNING

Lingfield Park Racecourse welcomes over 250,000 people through our gates each year.

And when you combine that figure with our television reach via Sky's At The Races and national coverage across the nation's betting shops and newspapers, Lingfield's coverage is nothing short of significant.

Partnerships and race sponsorship are an increasingly beneficial way of interacting with a new audience and increasing your brand's awareness within one of the UK's busiest sporting arenas.

We have a wealth of experience and opportunities at your disposal and an imaginative and experienced team to bring any partnership to life.

THE RESORT, THE FIRST OF ITS KIND

We are proud to have been the UK's first Racing Resort.

The Marriott Hotel, Golf & Country club is in a unique location in the grounds of Lingfield Park Racecourse and with magnificent views over the racecourse, golf course and surrounding countryside, the hotel offers guests the chance to mix business and pleasure with a wide range of facilities.

Our Championship 18 hole Golf Course is a 6,511 yard, par 72 course and incorporates a range of natural features. There are four putting greens, a bunker and pitching practice area and a driving range all within our golf academy, allowing you to make the most of the great outdoors during your stay.
