THE DRESS CODE GREEN IS THE THEME

- There's no strict dress code, but Ladies Day is a lovely excuse to dress up, and we'd love you to make it an occasion.
- Plenty of guests go all out with heels, hats, fascinators and their smartest summer style. It's a real part of the day's atmosphere.
- Join in as much as you like, or simply come in whatever makes you feel comfortable and warm. The only must is that you enjoy yourself.
- Dressing for it? Add a touch of green to catch the Style Awards judges' eye ♥
- Bring a layer for the evening, and go for block heels or flats on the all-weather ground.
- Pack a hat and sunscreen if it's sunny ☀
- Please avoid sports or team shirts, offensive fancy dress, and flip-flops.
