

GREEN DRESS TO IMPRESS

Fusspotts

The Ladies' Day Style Guide

1. HOW TO WEAR THE THEME

01

BOLD EMERALD

Go bold with rich emerald tones, then elevate the look with a statement hat, chunky gold jewellery and a race-day essential — the wedge.

02

A HINT OF GREEN

Pair green with crisp whites, soft creams, warm golds and natural neutrals for a look that feels fresh, polished and effortlessly race-day ready.

03

POLKA DOTS & PRINTS

Playful prints and polka dots bring fun, femininity and a fresh take on the theme.

04

STATEMENT DRESSING

From sculptural shapes to voluminous skirts and polished tailoring, statement silhouettes are the easiest way to feel on-trend and on-theme.

2. OUTFIT INSPIRATION

BOLD & BEAUTIFUL

Floral prints, statement hats, and effortless glamour.

PERFECTLY PAIRED

Different shades, one theme, a stylish duo that stands out.

ELEVATED SIMPLICITY

Clean lines, soft green tones, and timeless accessories.

DETAILS THAT DAZZLE

A statement hat and confident smile complete the look.

3. THE FINISHING TOUCHES

FEATHERED HATS

Add height, texture and drama with feathers and flowers for elegant detail.

BAGS & CLUTCHES

The perfect accompaniment from Bishops & Haig - The Windsor bag. Also up for grabs in our Style Awards!

HEELS & SHOES

Stay cool with a high heel and a green twist.

JEWELLERY

Layer delicate pieces or go bold with statement earrings and gold accents.

4. STYLED WITH FUSSPOTTS

Fusspotts has helped curate the Green Dress to Impress Style Guide, bringing a boutique fashion perspective to race-day dressing. From dramatic hats and statement accessories to dresses with just the right hint of green, Fusspotts helps guests discover looks that feel individual, considered and confidently their own.

On Ladies' Day, Fusspotts will also host the inaugural Fusspotts Style Awards, celebrating standout style, personality and the best interpretations of the theme.
